MEMORANDUM FOR: Chief, Research & Development Contract  
Section, OL

SUBJECT : Memorandum of Understanding

We here have reviewed the Memorandum of Understanding which you asked us to work on and have determined that in its present and proposed form it would be improper if not illegal. However, we defer this aspect of the matter to you and OGC. We are of the opinion that the proposed contract which the contractor has not yet signed should be reworded to include these three elaborations as an addendum rather than a Memorandum of Understanding. If you agree to change the contract then the attached wording is acceptable to us for inclusion as an addendum.
